305 FARMS

OUR STRAINS

305 Farms specializes in high-potency indoor-grown boutique flower. We carry a curated selection of strains from around the world, but we are impartial to California and BC genetics. 305 Farms is committed to pheno-hunting premium cultivars with distinct cannabinoid and terpene profiles. We are especially proud of our Devil Driver and Singapore Sling strains, which we launched into the Michigan market in 2022.

MORE FLAVOR TO THE PEOPLE

UNICORN PISS

Unicorn Piss is a flavor-infused strain dripping in fruit flavors - taste the rainbow of candy flavors that burst in your mouth with this unique blend! A cult favorite in the making, this bold fruit cocktail leads with a loud tropical aroma of pineapple, mango, and guava, underscored with peach, berry, and citrus. Notes of coconut and brown spice hide in the back.

1ST PLACE
AU DISTILLATE VAPES

Genus: Hybrid

Fragrance: Tropical, Fruity, Pineapple, Mango

Effects: Calm, Happy

BANANA RUNTZ

Banana Runtz is a flavor-infused strain – a banana-forward twist on the renowned strain out of California, offering a big banana flavor with a nod to throwback candy shops. This fresh take on a nostalgic profile is known to elevate moods and inspire focus. Our Banana Runtz is a trip down memory lane.

Genus: Hybrid

Fragrance: Sweet Banana, Fresh Flowers

Effects: Uplifting, Creative

GRAPE GOJI OG

Grape Goji OG is a flavor-infused strain, featuring a super loud and sugary sweet grape flavor that is underpinned with a cooling light rose aroma.

Genus: Sativa
Fragrance: Fruity, Citrus
Effects: Uplifting, Creative

HIGH-C ORANGE

HIGH-C Orange is a flavor-infused strain, with citrus notes and bursts of orange soda. Walk down memory lane with this fruity explosion.

Genus: Hybrid
Fragrance: Orange, lemon, lemongrass
Effects: Uplifting, Euphoric

WATERMELON ZKITTLEZ

Watermelon Zkittlez is a flavor-infused strain, featuring exciting bursts of watermelon flavor with a refreshing herbal accent and exotic fruit notes that make this one of our most easily enjoyable profiles. Juicy and sweet, this supreme mood lifter is great for a quick escape.

Genus: Indica

Fragrance: Sweet Watermelon, Lemonade

Effects: Creative, Calming

STRAWBERRY SHORTCAKE

Strawberry Shortcake takes the relaxed happiness of a Chronic, White Widow and Cheese Heavyweight hybrid blend and turns it up with ripe strawberry and cream.

Order

Robert Marley

Roots Luxury

Roots Luxury is about an assertive, unapologetic approach to life. The Roots Luxury consumer sees themselves as the main character of their story but also value their friends and family with a fierce passion.

The harmony of Rastafari heritage, married with upscale vibes, Roots luxury is both individual and collective: a personal shine matched with progressive ideals and a timeless aesthetic. These are the people who want to change the world.

Rohan Marley's favorite!

KING CLEMENTINE

Hybrid | AVG. THC 27.54%

Dubbed for its royal vibes, KING CLEMENTINE is Lion Order's hybrid strain, a cross of the award-winning Tropicana Cookies. This Irie bright bud packs a delicious clementine taste with a creamy exhale, easing stress and elevating mood as a true king's herb.

3RD PLACE
MEDICAL SATIVA FLOWER

ISLAND SUNSHINE

Sativa | AVG. THC 24.87%

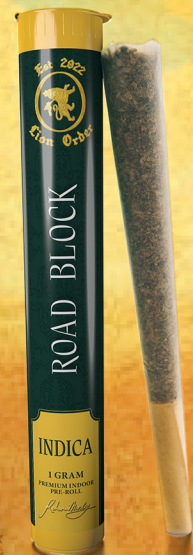

ISLAND SUNSHINE is an energizing, powerful sativa designed to create a euphoric mind and body high. Lion Order combined the genetics of Heavyweight Heads' Cream Soda with their award-winning Orangutan strain, creating the ideal terpene profile with bright aromatics and a sweet taste.

ROAD BLOCK

Indica | AVG. THC 27.09%

ROAD BLOCK is Lion Order's indica-dominant strain from the Heavyweight Heads' breeding project. Covered in rich trichomes, its buds are vibrant green with purple shades. With its thick, cake-rich petro smoke, this Irie strain gives blissful vibrations for an ideal lift.

HURRICANE

Indica Hybrid | AVG. THC 24.98%

This exotic indica-dominant hybrid strain is majestic and icy on the vine. With crystalline dense nugs, HURRICANE gives off sweet floral notes that are pulled together with a fuel-like OG funk. This is an herb that demonstrates a potency like the power of a swirling low-pressure hurricane force flying up from the Caribbean ready for impact, just like Rohan Marley as a fierce tackler on the football field.

GULLY KUSH

Sativa Hybrid | AVG. THC 24.98%

This bud has a classic sour citrusy flavor with hints of sweet pine. The aroma is very soothing with a kushy overtone that's accented by woody sour terps. GULLY KUSH is a sativa-dominant hybrid genetic, named in the spirit of Queen Kushite. Like the Flower, she brings all sides together. She is super strong, giving you Irie, energetic vibes, and she will always lift you up.

LION FUEL

Indica Hybrid | AVG. THC 26.53%

LION FUEL is a hybrid indica-dominant strain whose parents are Mitten Cake Batter and Sun Fuel. With a smooth cake inhale and that potent fuel punch, this combination will surely do the trick. Super lung expander, with a rich earthy vanilla flavor and a pungent gassy petrol undertone. Fuel up with this powerful herb and bring out that true Lion or Lioness within.

INTRODUCING 0.6g Disposable Vapes

- Three tropical flavors with distinct terpenes, aromas & effects:
 - Orange Pineapple, Mango, & Guava

IN-STORE MERCHANDISING

Our hands-on merchandising program is centered around the needs of dispensary operators thirsty for consistent quality and product availability.

VENDOR DAY PROGRAM

305 Brands specializes in supporting our wholesale Dispensary partners throughout the state of Michigan with on-site Vendor Day Events to maximize brand awareness.

Brand Ambassadors

Our team of Brand Ambassadors are on-site during each Vendor Day event, engaging with consumers to educate them about our products and distributing free promotional merchandise.

Vendor Day Events

305 Brands launched our Vendor Day events program with the goal of maximizing consumer engagement through partnerships at strategic vendors to provide "Free Trial" to consumers.

Main Goal

Our goal is to continue free trial programs spanning from our vape products, to cannabis flower, to pre-rolls and future edibles products.

Spikes In Sales

These events typically result in significant spikes in retail sales revenue during each event, with many vendors reporting annual or all-time daily sales records.
